Dear Brethren:

I wish to express my appreciation for your very kind invitation to be a part of your Teenage Christian Conference this past week. I was thrilled to find such a large number of interested young people upon arriving at your building on Friday evening. I do regret being late, but appreciate so much the understanding and sympathetic way you received my wife and me.

Let me know if I can be of help in any of your work in the days ahead. I wish you the very best in obtaining a preacher to succeed Brother J. R. Collins. Thank you so much for such a pleasant evening.

Fraternally yours,

John Allen Chalk

Dear Brother Chalk:

I understand, from one of our young ladies, that you do not know the theme of our Teenage Christian Conference or what subject you are to speak on.

We had a letter from you dated April 11, 1966. I'll just tell you what you said in the letter:

"...I understand your theme will be "In Our Hands." I would like to speak on Friday evening on the subject "His World In Our Hands." I will offer a challenge to the young people present to take up their responsible places in today's church and will call on them to realize that today's world is the one we must evangelize. We will deal with some of the false answers being given modern man contrasting them with the only true solution to modern ills - Jesus and His gospel...."

We are looking forward to August 5th with great anticipation.

In Christian love,

Jo Goodman, Secretary
